

2026 NCDSSC Standings
Updated 10-8-2026

How are my points calculated?

The total number of points available in a given level/division is based on the number of competitors entered and initially competing in that level/division.

Competitors earn points depending on their placement in each test, e.g.,

1st place = N + 1

2nd place = N - 1

3rd place = N - 2

4th place = N - 3 etc...

N = number of competitors entered

*To be eligible for awards horse and rider combinations must compete at a minimum of **three** shows and **two** venues.
